

5 Easy Steps to Clear a Barrel & Other Packages

N.B. If you are clearing a barrel for someone you must present an authorization letter, signed and stamped by a Justice of the Peace (JP). The consignee's Tax Registration Number (TRN) card and valid passport must be presented to the Customs Official.

(Photocopied documents must be signed and stamped by a JP).

- 1. After you have collected your shipping documents from the shipping agent and paid the relevant handling or storage fees proceed to the warehouse where your barrel or package is stored.**
- 2. If you have an **UNACCOMPANIED BAGGAGE DECLARATION (C27/YELLOW)** FORM from the airport you must present it along with your passport and Tax Registration Number (TRN) card to the Customs Supervisor for verification.**
- 3. At the warehouse, present all the shipping documents to the security personnel and wait for your barrel or package to be located.**
- 4. When located the Customs Officer will instruct you to open and unpack the barrel or package for examination and then direct you to the Customs Cashier to make payment.**
- 5. After you have paid, take the Release Order to the Warehouse Operator who will issue a gate pass to you.**
